STAY ACTIVE WITH... **PAIN COMFORT COMPLEX**

- ✓ Relieves Pain and Discomfort from Overexertion
- ✓ Promotes Flexibility and Comfortable Movement
- ✓ Regulates the Body's Natural Inflammatory Response

WHO HAS TIME TO BE SIDELINED BY PAIN?

Our muscles and joints pay the price from the stress and strain of daily life.

Repetitive stress whether on the job or from recreational activities can cause us discomfort. Inflammation is the beginning of all pain.

Pain is the body's natural warning system to overexertion and we have a natural response - **Pain Comfort Complex**.

Our superior formula has powerful ingredients to tackle your back and body pain.

Pain Comfort Complex is all-natural and easy on the stomach.

DON'T LET PAIN SLOW YOU DOWN -

Stay Active with.... PAIN COMFORT COMPLEX

CURCUMIN EXTRACT - Promotes comfortable movement and flexibility after exercise.

DL-PHENYLALANINE - dl-Phenylalanine (DLPA) is an amino acid that works by supporting the body's own pain-killing process.

BOSWELLIA SERRATA EXTRACT - Boswellia is garnering national attention for recent research on its role in the body's pain and inflammation response.

VITAMIN D3 - Emerging research is linking insufficient levels of Vitamin D to unexplained muscle and bone pain.

Pain Comfort Complex

60 Capsules
